On February 03, 2016, at approximately 1155 hours, Deputy A. Santos (riding unit 87S13) was performing routine patrol and law enforcement services when I was dispatched to a report of an abandoned vehicle parked in the backyard of a residence. Upon arrival, I met with reportee who stated that an unknown vehicle is parked in the backyard of his property. I then retrieved information from the vehicle and it showed that it was not stolen via TCIC/NCIC. I then requested a wrecker to remove the vehicle. The vehicle was removed from the property without incident and was transported to a storage lot listed in the report. I then obtained contact information from the reportee and a case report was generated. The patrol activity type is "PAT=D".
